

ELECTION COMMISSIONERS REPORT

New York State Statewide Data Base Launches (NYSVoter1)

Over 89,000 voter files were up loaded to the new statewide voter data base called NYSVoter1. These files marked the first step in a process to combine all voter files from each county board throughout New York State. This is a transition system with manual updates daily which by the end of the year should start NYSVoter2 which will be online live system.

County Board of Elections begins Election Inspector Centralization

Over 600 inspector letters that contained a W-9 to be completed were sent out in June to start the process of processing inspectors pay vouchers which are now the responsibility of the county board. Each Primary and General Election the county board must pay all election inspectors in each town and city in Oswego County.

New York State Grants Released...with Short Deadline

Oswego County's Board of Election has over \$145,000 set aside by the New York State Board of Elections for poll site access and voter and inspector training. The grant deadline is July 31, 2006 leaving us a short time for the preparation application. The board will use these monies to prepare for the switch to the boards take over of elections management.

Successful LGRMIF Grant Received

Over \$58,000 is going to be received by the Board for its successful competitive grant application to transition the board's paper documents into computer files. This new system known as a "full document" will allow the board to safe guard its important voter files and also allow instant access.
