

## COMPLIANCE PROGRAM ADMINISTRATOR OSWEGO COUNTY

This professional-level position is located in the Oswego County Health Department and is responsible for development, implementation, and maintenance of a comprehensive program designed to ensure compliance with State and Federal laws, regulations and mandates as they apply to various agency programs with particular emphasis aimed at detecting fraud, waste, and abuse in the Medicaid program.

Competitive salary and benefits provided commensurate with education and experience.

**Qualifications:** Master's degree in public health administration, public and/or business administration, or a closely related field and one year of professional experience developing performance and regulatory compliance standards, professional auditing, or program administration in a health care organization which included oversight responsibility; **OR** a bachelor's degree in health administration, public and/or business administration or a related field and three years of professional experience as described above; **OR** a bachelor's degree and five years of professional experience as described above. Compliance experience preferred.

Permanent appointment to this position requires successful completion of the civil service examination.

**To Apply:** Review of applications will begin immediately and continue until position is filled. Send resume and letter of interest to:
