- **Note:** Due to scoring differences that exist between Constable and the Entry-Level Police Officer/Deputy Sheriff examinations, it is possible that a score of 70 on the Constable exam may not result in a passing score on the May 8, 2010 exams.

SCOPE OF THE WRITTEN EXAM: A written test designed to evaluate knowledge, skills and /or abilities in the following areas:

1. Applying written information (rules, regulations, policies, procedures, directives, etc.) in police situations: These questions test for the ability to apply written rules in given situations similar to those typically experienced by police officers.

2. Memory for facts and information: These questions test for the ability to remember facts and information presented in written form. You will be given 5 minutes to read and study the information in the Memory Booklet. After the 5-minute period, the Memory Booklet will be taken away. You will then be required to answer questions about the material that was presented in the Memory Booklet.

3. Reading, understanding and interpreting written information: These questions test for the ability to read, understand, and interpret the kinds of written information that police officers are required to read during their formal training period and on the job.

4. Preparing written material in a police setting: These questions test for the ability to prepare the types of reports that police officers write. You will be presented with a page of notes followed by several questions. Each question will consist of four restatements of the information given in the notes. From each set of four, you must choose the version that presents the information most clearly and accurately.

The rating key for this examination will be established by the New York State Civil Service Commission prior to the date of the test, upon recommendation of a committee of police experts who will review all the questions for appropriateness and the key answers for correctness. There will be no review of the questions by candidates. This committee was selected with the assistance and endorsement of the Police Conference of New York, Inc., the New York State Association of PBA's, Inc., and the New York State Association of Chiefs of Police, Inc.

Use of a calculator is **PROHIBITED** for this exam.

TEST GUIDE: The Test Guide for Entry-Level Police Officer and the Resource Booklet, Police Officer/Deputy Sheriff Exam – Frequently Asked Questions are each available on the New York State Department of Civil Service web site at <http://www.cs.state.ny.us/testing/localtestguides.cfm>. In addition, a copy of this Test Guide is available upon request from the Oswego County Department of Personnel or may be downloaded from the web at <http://oswegocounty.com/personnel/studyguides.html>.

BACKGROUND INVESTIGATION/CRIMINAL RECORD:

Candidates will be subject to a pre-employment background investigation and may be required to authorize access to educational, financial, employment, criminal history, mental health and other related records. Conviction of a **felony will bar** appointment. Conviction of a misdemeanor or other offense will be evaluated on a case-by-case basis and may bar appointment. Candidates who have been convicted of a crime must submit a **certificate of conviction** from the court with their application. Candidates may be subject to additional screenings as a term of employment, including but not limited to, drug testing, fingerprinting, polygraph and psychological testing.

MEDICAL AND PHYSICAL FITNESS STANDARDS:

A qualifying physical fitness screening test and medical standards are prescribed by the Municipal Police Training Council (MPTC) and must be met by candidates upon receipt of a conditional offer of employment. The MPTC Standards are available upon request at the Oswego County Department of Personnel or may be downloaded at: <http://criminaljustice.state.ny.us/ops/docs/registry/policeapptsmed.pdf>.

The MPTC medical standard for **visual acuity** requires candidates to have vision better or equal to 20/30 in each eye. If a candidate must use corrective lenses (glasses or contacts) in order to satisfy the 20/30 standard, then the candidate's uncorrected vision should be no worse than 20/100 in each eye. A complete description of physical and medical standards can be found as indicated above.

The MPTC adopted the physical fitness screening test based on the model formulated by the Cooper Institute of Aerobics Research. The minimum passing scores, depending on age and sex, represent the fortieth (40th) percentile of physical fitness as established by the Cooper Institute. Failure on any part of the qualifying test will remove your name from further consideration for appointment.
